Hi Rich, I will track down the full Qs and As. Have you talked with Ron Borselino about who all from HSCD will be participating in these technical workgroups?

Hi Angela,

Do you have access to the Dimock Qs and As that were developed? I have some, but may not have them all in final in one place. Helen DuTeau would be a good contact if you don't, or you think she could be added to the Comms portion of the workgroup. Just a suggestion.

Rich
